

YHIP Alcohol & Offenders Project - IBA in CJS Follow-up Survey

1. About the person completing the survey:

Name:

Name of Service:

Town:

PCT Area:

Your email Address:

Date form completed:

Following on from the recent support visit from YHIP re promoting alcohol interventions (identification and brief advice, IBA) in your setting, please provide an update of how this work is being implemented, by completing the following questions:

2. Are clients now being screened/identified for alcohol use levels?

Yes (all clients, routinely)

No (none)

Yes (but not all clients routinely)

3. If yes to above, which alcohol screening/identification methods are being used?

AUDIT form

Verbal questioning

Devised our own screening form

Other (please specify)

4. Are alcohol brief advice/intervention sessions being delivered to those who indicate increasing/higher risk drinking?

Yes (all clients who require, routinely)

No (none)

Yes (but not all clients who require)

YHIP Alcohol & Offenders Project - IBA in CJS Follow-up Survey

5. If yes to above, what alcohol brief advice tools are being used?

- Brief advice tool (recommended 2 page NHS leaflet)
- Patient Information Leaflet (NHS PIL booklet)
- Verbal advice
- Own leaflet/information

Other (please specify)

6. Have any other alcohol interventions been introduced?

- No
- Extended brief interventions (more than 1 session)
- Group-work
- Specialist alcohol service worker on-site

Other (please specify)

7. Are referrals to specialist alcohol services being made for those that indicate higher risk/dependant drinking?

- Yes (all clients who require, routinely)
- Yes (but not all clients who require)
- No (none)

If yes, which service/s are referred to?

8. Please describe how the alcohol screening and interventions are being logged/monitored.

(egs. recording numbers screened, AUDIT scores, notes in casefiles, demographics etc).

YHIP Alcohol & Offenders Project - IBA in CJS Follow-up Survey

9. Training - we recommended that as many staff as possible complete the DH IBA E-learning module and the RCGP alcohol event.

Please comment on progress/plans in relation to training.

10. Please describe any plans to further implement the alcohol IBA model (particularly where you have indicated no or not fully implemented above).

11. Please add in any other comments which you think may be useful (including problems encountered, successes etc).

12. Finally, please rate how useful have you found the support visit (or other support) from YHIP regarding the alcohol work?

(on a scale of 1 to 5, 5 being the MOST useful)
