

1. About the person completing the survey:

Name:

Your role:

HMP:

PCT Area:

Your email Address:

Date form completed:

Following on from the recent support visit from YHIP re implementing the alcohol PHPQI on alcohol screening and interventions within the establishment, please provide an update of how this work is progressing, by completing the following questions:

2. Are all prisoners now being screened/identified for alcohol use levels?

- Yes (all prisoners, routinely) No (none)
- Yes (but not all prisoners routinely) Don't know

3. If yes to 2 above, which alcohol screening/identification methods are mainly being used?

- AUDIT form AUDIT-C form Verbal questioning Locally-devised screening form

Other (please specify)

4. If yes to 2 above, is the alcohol screening tool on systemone?

- Yes No In progress Don't know

Copy of YHIP Alcohol & Offenders Project - IBA in CJS Follow-up

5. If yes to 2 above, which staff are responsible for completing the screening/identification stage?

(tick the most appropriate answer/s)

- Healthcare at reception stage
- Healthcare
- IDTS Healthcare
- CARAT
- Dedicated alcohol worker

Other (please specify)

6. Are alcohol brief advice/intervention sessions being delivered to those who indicate increasing/higher risk drinking?

	Yes (to a min of 80% of those requiring)	Yes (but to less than 80% requiring)	None	Don't know
Alcohol only users	jn	jn	jn	jn
Poly alcohol & drug users	jn	jn	jn	jn

7. If yes to 6 above, which staff are responsible for providing the brief advice/intervention sessions?

	Healthcare	IDTS	CARAT	Dedicated alcohol worker	OMs
Alcohol only users	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Poly alcohol & drug users	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

8. If yes to 6 above, which alcohol brief advice tools are being used?

- Brief advice tool (recommended 2 page NHS leaflet)
- Patient Information Leaflet (NHS PIL booklet)
- Verbal advice
- Own leaflet/information

Other (please specify)

Copy of YHIP Alcohol & Offenders Project - IBA in CJS Follow-up

9. Which other alcohol interventions are available (beyond screening & brief advice)?

- Alcohol awareness group-work
- Peer support for alcohol use
- Extended brief interventions (series of 121s)
- Accredited drug treatment programme (which alcohol users can access)
- Alcohol detoxification
- Other healthcare interventions for alcohol users
- Specialist alcohol service worker on-site
- Nil

Other (please specify)

10. Describe the process/pathway, following screening, of referring increasing risk drinkers for brief advice, and higher risk/dependent drinkers to the more structured interventions above.

11. Please describe how participation in alcohol interventions is being logged and evidenced (screening, brief advice, other structured interventions etc).

(egs. recording numbers screened, AUDIT scores, notes in casefiles, demographics, numbers on groups etc).

12. Please describe any collaborative working that is taking place to provide the alcohol services?

Copy of YHIP Alcohol & Offenders Project - IBA in CJS Follow-up

13. Training - YHIP recommended that as many staff as possible complete the DH IBA E-learning module and the RCGP alcohol event.

Please comment on progress/plans in relation to training.

14. Please describe any future plans to further implement the alcohol PHPQI or other alcohol services in the establishment (particularly where you have indicated no or not fully implemented above).

15. Please add in any other comments which you think may be useful (including problems, gaps, resources, successes etc).

16. Finally, please rate how useful you have found the support visit (or other support) from YHIP regarding the alcohol work.

(on a scale of 1 to 5, 5 being the MOST useful)
