Kirklees	NHS Kirklees/LA funded 2 additional DIP/AAR staff (until Sept 10)	Lifeline SERCO	Cell sweeps Identified by police Through DIP assessment	AUDIT	BI, NHS BA tool, also SERCO providing IBA out of hours, & police providing alcohol packs out of hours	, Referral to alcohol service for tier 3 (On-Trak), GP practices for BI, Probation to consider structured treatment Voluntary Possibility of coercive element in the future	Agreed trigger offences, plus others identified by police includes DV/abuse offences	Monitoring forms completed – inputted & collated by admin, includes AUDIT scores
Leeds	European Union funding (3 yrs from Jan 09) for an alcohol programme (included a Senior DIP /AAR post)	CRI	Identified by police (custody board) Cell sweeps if time (drugs & IOM are priority)	AUDIT Own assessment for ADS	BA, NHS BA tool, harm min, (only 1 station in Leeds, others are signposting only), out of hours – packs given & consent to contact forms	To Leeds ADS (then to health & voluntary services as needed) Where contact forms signed, clients contacted after release Voluntary FPN waiver scheme – coercive / voluntary	Agreed trigger offences targeting violence, & others where alcohol a factor, some restrictions (eg rape, DV)	Local database used to log numbers, scores demographics, attendance etc. Considering adapting Mi-Case (used with drug clients) for AAR data

Locality	Funding	AAR provider	How clients identified	Screening process in-cell	Intervention provided in-cell	Referral process, Voluntary or coercive	Eligibility (exclusions etc)	Monitoring
North East Lincs	<p>Home Office funded pilot – (18 months to April 09), plus funding from local partnership, CDRP, DH, NHS Care Trust Plus)</p> <p>Joint drug & alcohol service</p>	<p>NHS Care Trust Plus, police & Probation staff</p> <p>Probation staff member provides sentencing/ court work</p>	<p>Identified by police</p> <p>By DIP assessments</p> <p>Not cell sweeps</p>	Detailed AIR Home Office form (which includes AUDIT),	<p>BI, 1st intervention (1 hour)</p> <p>AR workers see most alcohol clients in cell, if out of hours police give appointment for 1st session</p>	<p>Referred to specialist alcohol service for 2nd intervention, GP services for BI, & other services as needed</p> <p>Compulsory Conditional bail after charge or Conditional caution</p> <p>Or voluntary attendance</p>	<p>Any alcohol-related offence identified by police</p> <p>Extra funding enabled DV & drink drive cases to be included</p>	<p>Mi-Case system adapted for use with both drug & alcohol clients – shared by AR staff & alcohol service</p> <p>Home Office performance monitoring database, includes data from AIR</p>
North Lincs	Existing DIP & Direct Access service resources	CRI	<p>Cell sweeps for drug and alcohol</p> <p>or identified by police (if workers not present)</p>	Nil – AUDIT completed at Direct Access	<p>BA</p> <p>Police provide appointment details out of hours or contact DIP to attend station</p>	All substance misuse referrals go via Direct Access/DIP service for triage, further assessment, & tier 2, can then refer to the Junction alcohol service for tier 3	Will see any arrestees identified with alcohol issues	<p>Record numbers seen in cell, numbers accessing Direct Access, basic details</p> <p>Mi-Case also used</p>
North Yorkshire & York	<p>Nil – DIP resources</p> <p>Previous pilots, with time-limited funding</p>	<p>Harrogate – CRI provide DIP – no AAR scheme. Police notify service if any drug-related clients detained, but not alcohol ones. DIP worker attends police cells twice a week, cell-sweeps, no signposting/leaflets for alcohol users.</p> <p>Scarborough Whitby & Ryedale – Cambridge Centre provide DIP – no AAR scheme. Previously piloted - low uptake. Police notify service if any drug-related clients detained. Approx 1 cell contact a day (all arrestees detained at Scarborough station). If alcohol clients, DIP will provide leaflet re service (numbers suggest opportunity for AAR intervention).</p> <p>Northallerton – HARCAS provide DIP – no AAR scheme. If alcohol clients, DIP will provide leaflet re services & basic advice (numbers suggest opportunity/need for AAR intervention, more than drug AR).</p> <p>Skipton – CODA provide DIP. DIP worker provided 3 days a week (not based in police station, so no cell sweeping). Police will refer drug or alcohol clients to DIP. Alcohol referrals contacted & if attend are provided with BI, & fed back to police as part of Conditional cautioning scheme (low referral numbers for alcohol).</p> <p>York & Selby - Compass provide DIP. No AAR. Previously piloted – evaluation showed higher uptake of alcohol referrals than other areas.</p>						

Locality	Funding	AAR provider	How clients identified	Screening process in-cell	Intervention provided in-cell	Referral process, Voluntary or coercive	Eligibility (exclusions etc)	Monitoring
