

# Yorkshire and Humber Regional Board

**Dave Barker** - Family Carer

## Who do I represent?

- I represent Family carers from the Yorkshire and Humber region.
- I do this by attending Regional Carers Meetings and gathering views to take to the National Valuing Families Forum as well as the Regional Program Board. I will also link with the local Valuing People Partnership Board Carers Network and have day to day contact with other carers.
- I represent family carers by sitting on the National Valuing Families Forum and having retired from teaching work part-time as a Learning Disability Sports Development Officer.

**How will we feedback?** - I will feedback Formally at national, regional and local carer meetings and informally to individuals. I believe that family carers, as the other long-term partners, have an important role in monitoring the work of partnership boards to establish that they do what they say they do and that they do what they are asked to do.
