## How will we feedback?

- I will send the minutes of the meeting to all Directors and will also update them at our Branch meetings. I will keep in close touch with people who use services in Bradford to make sure I am hearing their views.
- I will make sure that Directors receive regular updates from me about Valuing People Now and find out the uses that are affecting them.
- I will also link closely with the lead officers group for Yorkshire and Humber who meet with the Valuing People Now support team.
